DETAILED ACTION

1. This application claims benefit of the foreign application:
EUROPEAN PATENT OFFICE (EPO) 02016944.7 with a filing date 08/01/2002.
2. Amendment including cancellation of claims 1-2 and addition of claim 3 in the amendment filed on January 13, 2006, is acknowledged. No new matter is found. Claim 3 is pending in the application. Since the newly added claim 3 is commensurate with the scope of the invention, therefore, claim 3 is prosecuted in the case.

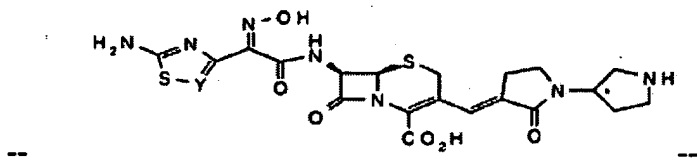

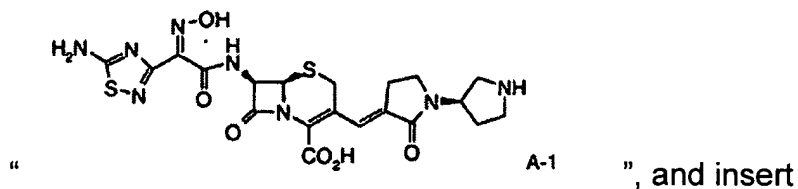

Responses to Amendment

3. Since claims 1-2 have been canceled, rejection of claims 1-2 under 35 U.S.C. 112, first or second paragraph, has been obviated.

EXAMINER'S AMENDMENT

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with William H. Epstein on February 16, 2006. The application has been amended as follows:

In claim 3, line 3, delete

In claim 3, page 3, line 20, after “(e) converting said compound”, insert

--of formula (1)--

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance:

Claim 3 is neither anticipated nor rendered obvious over the art of record, and therefore are allowable. This invention relates to process for the manufacture of 3-amino-pyrrolidine derivatives. The closest reference is Angehrn et al. US 5,981,519, discloses vinyl-pyrrolidinone cephalosporins. The difference between instant claims and Angehrn et al. is that the instant processes were not disclosed by Angehrn et al. Suggestion for modification of the above reference to obtain the instant processes has not been found. Claim 3 is allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
